Examiner's Amendment

An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to Applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **Must** be submitted no later than the payment of the Issue Fee.

Examiner's Amendment Authorized

Authorization for this Examiner's Amendment was given in a telephone interview with Cynthia A. Bonner on September 22, 2005.

Amendment to the Disclosure

The application has been amended as follows:

- A. Page 1, line 4, "Sunbidesupa" has been deleted and --'Sunbidesupa'-- has been inserted in its place.
- B. Page 1, line 26, "Goldie" has been deleted and --Innbid-- has been inserted in its place.

Art Unit: 1661

C. Page 2, lines 15, 17, 19, 20, 22, 24, 26, and 27, "Goldie" has been deleted and --
Innbid-- has been inserted in its place.

D. Page 5, line 11, "apex" has been deleted and --base-- has been inserted in its
place.

E. Page 6, line 4, "disk" has been deleted and --disc-- has been inserted in its place.

Reasons for Allowance

The specification is as complete as is reasonably possible. In view of Applicant's statement on the amendment filed, July 19, 2005, with the instant U.S. Plant Patent application, the Colour Wave Collection catalog (IDS reference No. 6, filed 7/19/05) with an amended publication date of 2003 and Applicant's admission that the correct date is May 2003, (which is less than a year from the instant patent application's filing date, March 26, 2004), would not be enabling. Therefore a proper rejection under 35 USC 102(b) cannot be made.

Future Correspondence

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Louanne C. Krawczewicz Myers whose telephone number is (571) 272-0979. The examiner can normally be reached on Monday and Thursday from 8:00 am to 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrew Wang can be reached on (571) 272-0811. The fax phone numbers for the group is (571) 273-8300.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the patent electronic business center whose telephone number is (866)-217-9197 (toll free) or (703) 305-3028 or (703) 308-6845 or email requests to ebc@uspto.gov.
